Hi. We’re Deft.

At Deft, formerly known as ServerCentral Turing Group, we are our clients’ most trusted advisor. The Deft team humanizes technology. We actively listen to our clients, learning and collaborating to develop tailored solutions that perfectly fit your company’s needs. We then design, build, operate, secure, and scale unique technology solutions with a singular purpose: to deftly deliver on the promise of technology for you and your customers.

A Trusted Advisor...
Companies choose us as their Trusted Advisor because:

• We simplify technology transitions to simplify your life
• Our proven ability to guide you through complex tech challenges means you can rely on us for anything
• Our expertise is multifaceted: we’re experts in tech, and experts at making you stand out among technology leaders
• We’re refreshingly transparent: the only surprises you’ll get are good ones
• We flex our services and approach to meet you where you are and take you where you want to go
• We focus on solving your challenges, so you can focus on what matters most

...With Comprehensive Solutions

Working With Us
When you work with Deft, you will notice that we tackle complex challenges differently, revealing connections others can’t see. We never go in with a predetermined set of answers. We listen. We learn. And we collaborate to uncover tailored solutions with an unmatched element of humanity. Just a few of the hundreds of companies that have put their trust in us:
